INDUSTRIAL VISIT

INDUSTRIAL VISIT TO SAINIK SCHOOL

Cadets of B. Tech 24 and B. Tech 23 (A & B) had the unique opportunity of visiting Sainik School, Amaravathi Nagar On October 4th, 2024, under the guidance of Mr. Arunprasath P and Mr. Hemanand. the cadets immersed themselves in the inspiring environment of the school, renowned for creating disciplined and dedicated young cadets.

The visit was further enriched by the gracious welcome from Principal Capt (IN) K Manikandan, who shared the school's vision and mission with the cadets, emphasizing the commitment to nurturing cadets who are well-prepared to face life's challenges with resilience and integrity. cadets got the first-hand glimpse into the rigorous routine, discipline, and training that are the core of character-building for cadets.

INDUSTRIAL VISIT TO VERSA DRIVES PVT LTD

Cadets from B.Tech 23 A & B had an insightful visit to Versa Drives Private Limited in Coimbatore, on October 8th, 2024, led by Dr. S. Gopinath and Mr.P.Arunprasath.Guided.by Mr. Vairamanikandan, Assistant Manager

this experience allowed the cadets to gain practical knowledge of the intricate processes behind electronic drive manufacturing, a technology used in escalators, lifts, and domestic fans. The cadets witnessed its first-hand the assembly and testing procedures, along with the various engineering equipment and techniques employed to ensure quality and efficiency in each drive. As they observed the precision involved in design and quality control, the students gained a valuable perspective on how everyday applications are powered by reliable engineering. The visit went beyond academic theory, immersing them in real-world applications and demonstrating the transformative role of engineering in creating technology that impacts daily life

INDUSTRIAL VISIT TO CHENNAI PORT

A visit to Chennai Port in Tamil Nadu offered a first-hand look at the dynamic operations of this significant deep-sea harbor, to the cadets of BSc 22 On 30th september,2024, it was founded in 1881. Amid clear skies and bright sun, the bustling port underscored its role in supporting both international and domestic trade. Handling approximately 50 million tonnes of cargo annually, Chennai Port specializes in containerized cargo, automobile exports, and liquid bulk and general cargo. The scenes captured during the visit showcase the scale and efficiency of one of India's primary maritime gateways.

INDUSTRIAL VISIT TO COCHIN PORT

Industrial visit was organized for Second-year B.Tech Marine Engineering cadets to Cochin Port Trust (Ernakulam Wharf) On October 21, 2024, under the guidance of faculty members Mr. Maiyavel and Mrs. Vanitha Velayaudham. The tour, led by Mr. Vipin, Traffic Manager at Cochin Port Authority, provided cadets an in-depth look at the tug boat's engine room and bridge. cadets explored key onboard machinery, including the 4-stroke V-type 8-cylinder Caterpillar engine with azimuth propulsion and essential deck machinery, gaining valuable practical insights into vessel operations.

INDUSTRIAL VISIT TO COCHIN PORT

B.Sc. Nautical Science students, accompanied by faculty members Mr. P. S. Nair and Ms. Sangeetha, visited Cochin Port (Ernakulam Wharf) and INS Dronacharya On October 21, 2024. Guided by Mr. T. M. Renjith, the visit provided a hands-on learning experience about port operations and a tour of the tugboat *Ocean Pioneer Chennai*, where students explored the bridge and engine room. The visit to INS Dronacharya offered insight into the disciplined and dedicated lives of naval personnel, making it an inspiring experience and a unique opportunity that left a lasting impression.

MIRCHI FRESHERS

Radio Mirchi (Times Group) hosted the "Mirchi Freshers" event On October 1, 2024, at our CMC Campus. The event aimed to showcase our students' talents in dance, solo singing, mimicry, Silambam, karate, and kungfu.

Mr. Mirchi Fresher and *Ms. Mirchi Fresher* titles were awarded to Cadet Sathvik (BSc 24) and Cadet Revathi Rajeev (BSc 22) respectively.

The event concluded with the inspiring words from Principal C/E Kaushik Dasgupta, the Director Dr. S. B. Senthil Kumar, and Placement Director C/E Gopalakrishnan. A special singing performance by Prof. Saifudeen

AYUDHA POOJA CELEBRATION

Ayudha Pooja and Saraswathi Pooja was celebrated at the Campus On October 10th, 2024, honoring the tradition with great spirit and unity. The festivities brought together cadets and faculty across various departments to express gratitude and seek blessings for wisdom, prosperity, and progress in the coming year.

All the departments gathered in their designated areas for the Pooja ceremony: the Accounts Section performed rituals in their workspace, B.Tech cadets in the Engine Room, and B.Sc cadets in the Simulator Room. Our Drivers gathered in the Vehicle Shed, GME cadets held their Pooja in the Workshop, and ETO cadets joined in the ETO Lab. Finally, BBA and MBA students gathered in A-Block to offer their prayers.

This celebration was a memorable moment of unity, reinforcing the values of reverence and gratitude. The day was meant for thanking the teachers and also the non teaching staff though it is named differently in all the states of the country the motive remains the same “Thanks giving”

DIWALI CELEBRATION

"Amarkalam 2k24 - Diwali" was celebrated on 26.10.2024 at CMC Auditorium. The celebration started with Thamizhthai Vazhthu followed by the Lighting of Lamp. The welcome address was delivered by Cadet. Amulya Thomas. (BT 22). Then the stage flourished with the various events such as dance, singing etc. by our CMC Cadets.
